

# Maine Charter School Commission

## Intent to Submit a Charter School Application

Proposed Charter School Name: **Maine Virtual Academy (MEVA)**

Proposed School Location: MEVA will serve students throughout the State. The school administrative office will be in the Hampden or Portland area, where the Head of School and other administrative employees of the school will be located. Teachers and students will be located in their homes or learning centers throughout the state. Teachers located near the MEVA facility will have the option of working from the school office facility.

Proposed Grade Levels: MEVA will serve students in grades 7-12.

School Program Design: MEVA will be a full time online public charter school serving grades 7-12. Our mission is to develop each student's full potential with an individualized learning plan for their learning pace and style. The education program will consist of highly qualified teachers, an engaging curriculum and learning materials delivered primarily through an online technology platform with continuous assessment of student's learning growth, and robust teacher/student/parent interaction and involvement. Teachers will participate in face-to face professional development at weekly, bi-weekly and monthly intervals.

Target Population: MEVA will attract students in grades 7-12 who could benefit academically from a learning environment that is different than the traditional school building and class schedule. MEVA students will be provided with individualized learning programs that have flexibility in pace, schedule and learning styles.
